To Whom It May Concern,

Mitt is Mean – The Animals Lovers Against Romney Committee attempted to file our April 15, 2012 Quarterly Report via uploading online but encountered difficulties.

On or about 4/3/12, Mitt is Mean – The Animals Lovers Against Romney Committee filed an amended Form 1, designating a new treasurer.

Our original Treasurer, whom since has been removed due to becoming operationally incapacitated, would have been the person to apply for any such password.

The committee is not in possession of the correct FEC issued password is required to upload FECFile formatted reports, thus preventing the timely filing of our April 15 Quarterly Report.

Enclosed you will find a paper copy of the April 15 filing. I have requested an FEC Issued password so as not to encounter this problem again.

Regards,

Larry Atherton
